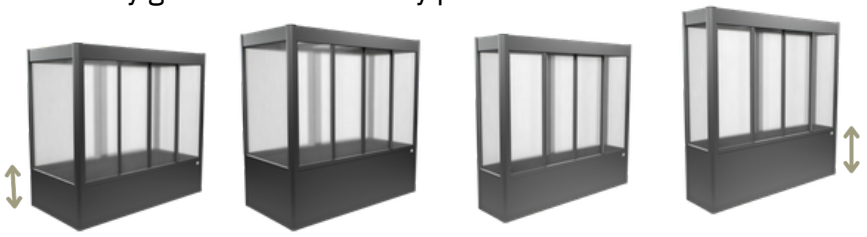
Florentina Greenhouse

now in new heights – MINI and MIDI

A compact greenhouse for tall plants – ideal for limited spaces. The well-designed combination of raised bed and perfectly fitting greenhouse top creates a protected microclimate, providing optimal conditions for healthy growth and an extended gardening season. Accessories such as trellises and irrigation systems support targeted and efficient plant care. Gardening can be functional – and beautiful. With its high-quality workmanship and modern design, the greenhouse becomes an architectural highlight in your garden. Even in a small space, you can create room for great things.

As individual as your garden: The right height for every gardener – and every plant.



Height MINI = 45 cm

Height MIDI = 61 cm
